

## MEMPHIS FACES PROMISING FUTURE IN MEAT INDUSTRY

One of the most promising sections of the country for future development of the meat industry is the territory served commercially by Memphis, according to Dr. A. O. Lundell, of Chicago, who has just completed a survey of the local field insofar as it pertains to the operation of the Memphis Packing corporation's plant, which is nearing completion. Mr. Lundell, who is now connected with the Albright-Neil Co., of Chicago, was for 15 years inpector in the animal husbandry bureau of the United States department of agriculture.

"In my travels I have inspected practically every worth-while packing plant in the country, and I can say without fear of contradiction that the plant of the Memphis Packing corporation is one of the most modern and up-to-date in the country to look over. Furthermore, it absolutely fills all government requirements and was constructed at a minimum of expense. Its arrangement permits practically unlimited expansion without interference to operation."

Dr. Lundell pointed out that from an economic standpoint alone the plant faces a promising future because of its geographic location, a position that gives it a strategic advantage over many of its kind. Then, too, this section of the South, he contends, has only just awakened to the possibilities of live stock raising, expansion of this industry insuring a fertile source of supply for the local plant.

He declared that in Mr. J. L. McCabe, general manager, and Milton P. Burt, construction manager, the local company is fortunate in having two men who have spent most of their lives in the packing business and who, therefore, are thoroughly familiar with every phase packing plant construction and operation.

"Lonely Girl Tries To End Own Life; Roommate Improves"

Loneliness, she said, was the reason why Pauline White, 132 North Third street, pretty 19-year-old girl, attempted to end her life at her apartment at about 11 o'clock Sunday morning.

Miss White attempted to commit suicide with illuminating gas and in the attempt she almost lost the life of her roommate and best friend, Miss Mary Purvis, 18. Miss Purvis was asleep when her friend turned on the gas jet.

Roomers in the apartment smelled gas and forced an entry into the girls' room. They found both young women unconscious, and they were rushed to the General hospital. Resuscitating machines were used on the girls for several hours. The condition of Miss Purvis improved quickly, but physicians had difficulty to save Miss White's life. Both are clerks. They have no relatives here. It is said, Miss White has a sister in Nashville.

The girls would say little to hospital attendants and the incident was not reported to police.

**MacSwiney In Films At Local Theater**

First official films showing Lord Mayor Terence MacSwiney who died in Brixton prison, a political prisoner, are being shown at the Princess theater. The weekly containing these pictures will be on display Monday and Tuesday.

The film shows close-up views of the prisoner taken just before he became too weak to sit in a chair. Views are also shown of his wife, and other relatives, and of scenes surrounding his prison. The film is an added feature with Maurice Tourneur's "The White Circle."

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system. If you have a pale face, yellow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results. Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit, 10c and 25c.

**Why Stay Fat?**

The answer of most fat people is that exercise and dieting is too hard, too troublesome and too dangerous a method to force the weight down. However, in Marmola's Prescription Tablets, all these difficulties are overcome. They are absolutely harmless, entail no dieting or violent exercise, and have the added advantage of cheerfulness. One little tablet after each meal and at bedtime—as pleasant to eat as candy—will reduce your weight two, three, four, five, six, seven, eight, nine, ten, eleven, twelve, thirteen, fourteen, fifteen, sixteen, seventeen, eighteen, nineteen, twenty, twenty-one, twenty-two, twenty-three, twenty-four, twenty-five, twenty-six, twenty-seven, twenty-eight, twenty-nine, thirty, thirty-one, thirty-two, thirty-three, thirty-four, thirty-five, thirty-six, thirty-seven, thirty-eight, thirty-nine, forty, forty-one, forty-two, forty-three, forty-four, forty-five, forty-six, forty-seven, forty-eight, forty-nine, fifty, fifty-one, fifty-two, fifty-three, fifty-four, fifty-five, fifty-six, fifty-seven, fifty-eight, fifty-nine, sixty, sixty-one, sixty-two, sixty-three, sixty-four, sixty-five, sixty-six, sixty-seven, sixty-eight, sixty-nine, seventy, seventy-one, seventy-two, seventy-three, seventy-four, seventy-five, seventy-six, seventy-seven, seventy-eight, seventy-nine, eighty, eighty-one, eighty-two, eighty-three, eighty-four, eighty-five, eighty-six, eighty-seven, eighty-eight, eighty-nine, ninety, ninety-one, ninety-two, ninety-three, ninety-four, ninety-five, ninety-six, ninety-seven, ninety-eight, ninety-nine, one hundred.

Now that you know this you have no excuse for being too fat, but can reduce two, three or four pounds a week, without fear of bad after-effects.

## THEATERS TO FLASH ELECTION RETURNS

Telegraphic wire flashes of the national presidential election will be shown on the screens of both the Strand and the Majestic theaters on Tuesday night.

Arrangements have been made by C. A. McElravy, of the Memphis Enterprises, Inc., to receive these returns over a special wire and they will be flashed on the screen during the entire evening. The showing, however, will not interfere with the usual program, but will keep those in the theater in close touch with the trend of the ballots.

## Hitch Your Wagon To a Star

When the great constellation of Movie Stars visited Memphis three or four weeks ago, Zellner's felt very highly complimented by the number of them who purchased of us Faultless Footwear. For they live in the

realm of fashion; they must necessarily devote much thought to their attire; they are ever in the limelight, the Great White Way of the Metropolis; and they know that Faultless Footwear is the prime essential for every occasion.

Since their return to New York Zellner's has merited the double compliment of receiving additional orders from them—33 pairs of Hosiery having been ordered of us by mail from New York.

For a long time Zellner's has been demonstrating to Memphis and the Tri-State that the one best place to find those things most in vogue in New York is right here. It is naturally a gratification to have New Yorkers send from there to Zellner's to supply their wants.

Whether your Footwear needs are elaborate or simple, Zellner's is prepared to supply them.

## Don't Prod Your Liver to Action

NR Overcomes Biliousness, Constipation, Sick Headache, Quickly. No Gripping or Pain. Guaranteed.

The organs of digestion, assimilation and elimination—the stomach, liver and bowels—must closely adjust, and the proper action of any of these organs is largely dependent upon the correct functioning of all the others. "Whipping" your liver into action with calomel or forcing your bowels with irritating laxatives or strong cathartics is a great mistake. A better, safer plan is strengthening and toning the whole digestive and eliminative system with Nature's Remedy (NR Tablets), which not only brings immediate relief, but genuine and lasting benefit. It acts on the stomach, liver, bowels and kidneys, improves digestion and assimilation, overcomes biliousness, corrects constipation and quickly relieves sick headache.

Get your system thoroughly cleaned and purified for once; stomach, liver and bowels working together in vigorous harmony, and you will not have to take medicine every day—just take one NR Tablet occasionally to keep your system in good condition and always feel your best. Remember it is easier and cheaper to keep well than it is to get well.

Get a 25c box and try it with the understanding that it must give you greater relief and benefit than any bowel or liver medicine you ever used or no pay. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

# This Citizens League School Board Ticket Was Selected With a Vision Of Better Schools For a Broader, More Enlightened Memphis

Mrs. Berneg Harris

Mrs. Walter Gray

L. C. Humes

Morgan C. Ketchum

Lawrence P. Foley

**This Platform Promises Things Possible of Fulfillment—No More!**

First—We believe that our loyal body of teachers are not receiving adequate compensation for service rendered by them, and that they should be paid salaries in proportion with the schedule outlined in the government survey.

Second—We favor reasonable pensions to our superannuated teachers who have devoted their lives to the profession, the amount of such pensions to be based upon the number of years of active service.

Third—One of the most serious problems confronting the new school board is the relief from the overcrowded and insanitary condition of the schools. This matter will have our most earnest consideration and every effort will be made to remedy this condition as soon as possible.

Fourth—We pledge our constant efforts to obtain such reasonable increase of revenue as will permit additional school facilities commensurate with the steady growth of the city and our school population.

Fifth—The good of our schools, we believe, will be promoted by the co-operation of the teaching body and the Parent-Teacher Association with the school board. We shall therefore invite the sincere co-operation of these organizations in all matters.

Sixth—Improvements in the colored schools are undoubtedly due in Memphis, and this will have the careful study of this board, with the view to making such improvements as will increase their efficiency, especially along elementary and industrial lines.

There is not a politician on this ticket; that is one reason why it was selected. With the single exception of Mrs. Walter Gray, who has made a splendid record as a member of the present Board of Education, no candidate has ever run for office before.

Each of these ladies and gentlemen was requested to become a candidate for the school board. The honor sought them. It was unsought by them.

Mrs. Berneg Harris was chairman of the committee that procured the recent bond issue of \$500,000 for the public schools. As the head of that committee she appeared before all civic bodies in its behalf. This was an undertaking that involved much continued hard work. Its final triumph meant much to the cause of education in Memphis.

Mrs. Walter Gray has lived many years in Memphis. She has given largely of her time and influence to many civic movements of a constructive nature. She is a member of the present school board, and her associates upon that body accord her unstinted praise.

Mr. Morgan C. Ketchum is a lawyer of fine ability. He is much interested in progressive education. Questions with a legal turn present themselves daily for solution in the school affairs of so large a city as Memphis. Mr. Ketchum is the man for the place.

Mr. L. C. Humes is the vice-president of one of the fastest growing and most representative banks in the South—the Guaranty Bank & Trust Co. Mr. Humes made a sacrifice of time and money when he finally accepted a place on this ticket. Memphis has seen, very recently, too, emergencies when a thoroughly trained banker would have been invaluable upon her school board. Mr. Humes is such a man.

Mr. Lawrence P. Foley is as well known in the downtown retail and jobbing section as any man in Memphis. He was for twelve years connected with the Commercial Appeal and for nine years the advertising manager of that newspaper, going recently with S. M. Williamson & Co. The cause of improved educational methods is a very close one to Mr. Foley. He will give the Board of Education his very best.
